About Lil' Guys®

Lil' Guys is my dream restaurant. For years I've wanted to create a restaurant that served real, homemade sandwiches, soups and salads. Using the classical techniques and training that I learned at the Culinary Institute of America, I've made that dream a reality.

I believe that the best sandwiches are made with the best meats. And the best meats are not made at a factory and prepackaged, they are fresh, homemade, from scratch. At Lil' Guys, that's exactly what you get. Our turkey is an all natural turkey breast that we slow roast on the bone for over five hours, giving it the most possible flavor. The turkey has no chemicals or fillers added. The same goes for the roast beef: slow roasted to medium rare perfection on the premises in our special Alto Shaam oven then sliced to order. Our corned beef is incomparable, made from whole briskets that we cure on site then slowly braise for 12 hours until tender. Even our egg and tuna salads are made from the absolute finest ingredients, such as farm fresh eggs hard boiled daily and solid white Albacore tuna (the best) specially packed in a vegetable broth to retain its flavor.

But it's not all about the meats. Our sandwiches are topped with fresh produce, the finest condiments such as Hellmann's mayonnaise and French Dijon mustard, and made on the best breads, baked by professionals and delivered to our doorstep every day.

We go the extra mile in everything we do so the soups and salads at Lil' Guys get extra TLC, too. Our Chicken Noodle soup is made with a classical French chicken stock. We even make a shrimp stock from freshly peeled shrimp for our Shrimp and Sweet Potato Chowder. Our side salads like the Pesto Penne and Pasta Salad are made daily with fresh cooked pasta and our own homemade dressings. We call this type of cooking:

Fresh. Homemade. From Scratch.

We think you'll notice the difference

What makes Li'l Guys® different?

We serve 100% real, all natural turkey, roast beef, corned beef.

Many sandwich shops spend all their time touting their sauces, vegetables and breads. Then they serve you a sandwich with inferior quality, factory-processed meats.

At Li'l Guys, we concentrate on the whole sandwich experience, starting with the most important part – our homemade meats and salads. We roast our own top-quality meats – just like (or maybe better than) your mom or grandma. Then we sandwich those between the freshest vegetables, sauces, and breads.

We make all our food from scratch daily and prepare sandwiches and salads to order. Li'l Guys is run by a professional chef with over 20 years of culinary experience.

It's what we call:

Fresh. Homemade. From Scratch.
