About Li'l Guys®

Li'l Guys is my dream restaurant. For years I've wanted to create a restaurant that served real, homemade sandwiches, soups and salads. Using the classical techniques and training that I learned at the Culinary Institute of America, I've made that dream a reality.

I believe that the best sandwiches are made with the best meats. At **Li'l Guys**, that's exactly what you get. Our turkey is a natural turkey breast so its got the most possible flavor. The turkey has no fillers added. The same goes for the roast beef: slow roasted to medium rare perfection at the restaurant in our special Alto Shaam oven and sliced to order. Our corned beef is incomparable. It's made from whole briskets that we cure on site and slowly braise for 12 hours until tender. Even our egg and tuna salads are made from the absolute finest ingredients, such as farm fresh eggs hard boiled daily and solid white Albacore tuna (the best) specially packed in a vegetable broth to retain its flavor.

But we're more than our meats. Our sandwiches are topped with fresh produce, the finest condiments such as Hellmann's mayonnaise and French Dijon mustard, and made on the best breads, baked by professionals.

We go the extra mile in everything we do so the soups and salads at **Li'l Guys** get extra TLC, too. Our Chicken Noodle soup is made with a classical French chicken stock. We even make a shrimp stock from freshly peeled shrimp for our Shrimp and Sweet Potato Chowder. Our side salads like the Pesto Penne and Pasta Salad are made daily with fresh cooked pasta and our own homemade dressings. We call this type of cooking:

Fresh. Homemade. From Scratch.

We think you'll notice the difference
